RE Assessment: Kingdom of God

What did Jesus say about the Kingdom of God?  
How does this relate to a Christian's everyday life?

Like the kingdom of God something starts off really small but grows really big. This is like the mustard seed that Jesus told us. Even if you are small you still have a strong impact and can spread a big message that can be told from country to country. If one person gave £1 and if that one person told everyone else there would be lots of money that has been spread around the world. Jesus shows kindness to everyone.

Good knowledge Annex 1

### Evidence for expected level of outcome

Pupil is describing aspects of the parable of the mustard seed and how things might grow from small beginnings. To progress to an exceeding level, she needs to demonstrate the link more clearly between the parable and Christian witness and actions in the world.
