Why is the empty tomb important?

LO: to understand why the empty tomb is essential to the Christian faith.

Jesus' friends found his tomb empty. Can you explain why this is important to Christians?

The empty tomb is important to Christians because they believe that Jesus ^{he} rose from the dead. They believe that Jesus is the son of God and Jesus can come alive when he is dead. Christians can still talk to Jesus today.

Teacher Comment

'I felt this child could explain why the empty tomb is important to Christians. Verbally this child could the explain about Easter eggs and new life but not evidenced there in the writing.'
