

Year. 5 How does the local church community seek to bring God's Kingdom on earth?

Emerging (Some children) I can talk about gifts and talents in the parable suggesting how Jesus expected Christians to use them for the Kingdom of God

Expected (All children) I can explain what influences and inspires local Christians to use their talents/gifts to further the Kingdom on earth. I can refer to their local activity and make links to Bible texts that may inspire them.

Exceeding (Few children) I can suggest ways the actions of local Christians might further God's Kingdom on earth by linking beliefs and actions. I can evaluate the impact they have locally.

L.O. To explain why and how Christians seek to bring about the Kingdom of God.

This man is going to change the world: he's going to make Earth like the Kingdom of God, Heaven. This person is going to help others, to learn to love and to give others the chance to do what he is doing. Though he may be different, - and we all are - he is going to give others the knowledge of God and his Kingdom, which we can make here, on Earth. We all need to love one another, no matter who we are and where we come from; we all need to be like Jesus, our Lord, and as he gave his life to save us so that we might have a chance, to, when our time has come, be welcomed into Heaven, God's Kingdom and the perfect world, where everyone treats others, with respect and kindness and love and truthfulness. Like the good samaritan, this man is on a journey, and though helping people along the way might hold him up, and get him hurt, he is bound by the Lord, and the love of God to help others as he would like to because Jesus has taught him the ways. The story of the good samaritan has help this man to become a better person, and strong.

How should the man look after the
world?

Teacher Comment: Examples of expected standard with aspects of exceeding work on Kingdom of God. The children were given a picture of a man walking and asked to explain why and how he would be bringing about the Kingdom of God. This was my final assessment piece of writing.
