[Setting God's People Free](#)

Setting God's People Free is a national initiative by the Church of England to encourage whole-life discipleship, so that members of our congregations are better equipped to live out their Christian calling Monday to Saturday as well as Sunday. It is about helping people to live intentionally as Christians in the workplace, the home and the neighbourhood. Over the next few months, the team which is co-ordinating Setting God's People Free in the Diocese is looking to work with around ten pilot parishes, of different sizes, contexts and church traditions. The aim of the pilot will be to assess how well congregations feel they are currently equipped in this area, and how confident they feel about it, and to trial different approaches and resources with them. The learning from the pilot exercise will then feed into a major launch of Setting God's People free in the diocese early in 2019. If your parish wishes to express interest in being one of the ten pilot parishes, please e-mail Michael Gilbertson, the Archdeacon of Chester, by Friday 27 April.

[Diocesan Link with Melanesia](#)

This year marks the thirtieth anniversary of the beginning of our link with the Anglican Church of Melanesia, in the southwest Pacific. We are celebrating this milestone with a day of celebration at Foxhill, on Saturday 16 June, from 10am until 3pm. Some visitors from Melanesia will be joining us, and there will be opportunities to discover more about the link, and how you could get involved in this rich and fruitful partnership with Christian sisters and brothers on the other side of the world. There will be children's activities included. Lunch is provided: for catering purposes, please contact John Freeman (jjcfreeman37@gmail.com) to indicate whether you are planning to come.
