USPG

United Society Partners in the Gospel. Founded in 1701, we are the Anglican Mission agency that partners churches and communities worldwide in God's mission to enliven faith, strengthen relationships, unlock potential and champion justice. Environmental degradation. Turbulent global politics. Gender injustice. The desperate flight of migrants. USPG believes today's major challenges cry out for words and actions that express a love and solidarity that goes beyond narrow self-interest and national boundaries. We accompany Anglican churches as they form communities of hope and resistance in the struggle against injustice. We would be delighted to meet you and engage with your church. We look forward to seeing you at the marketplace.

CSW

CHRISTIAN
SOLIDARITY
WORLDWIDE
VOICE FOR THE VOICELESS

The Christian Institute

For 30 years, The Christian Institute has equipped believers to be salt and light for Christ in society. We promote marriage & the family, sanctity of life and religious liberty. We defend Christian freedoms in the public square, lobby politicians in government and produce helpful and informative resources to aid Christians in their ongoing discipleship. The full range of our free publications will be available to browse and take away, and Institute staff - both former church Ministers - available to answer questions.

AIM

Africa Inland Mission serves and partners with churches to fulfil the Great Commission and advance the gospel among Africans who have the least opportunity to hear about Jesus. Come and discover the reality of the unreached African world that still exists today, beyond the life and spectacular growth of the Church across much of sub-Saharan African, and how your church can catch the vision and play a part in reaching the unreached.

Clergy Support Trust

CSW's team of specialist advocates work on over 20 countries across Africa, Asia, Latin America and the Middle East, to ensure that the right to freedom of religion or belief is upheld and protected. Our vision is a world free from religious persecution, where everyone can practise a religion or belief of their choice. CSW seeks to challenge and change the laws, behaviours and policies which lead to abuses of the right to freedom of religion and belief. We have over three decades of experience advocating for freedom of religion or belief around the world. We also gather evidence and document abuses, we train, equip and empower and we enable policy-makers to stand up for FoRB.

Tearfund

Tearfund is a Christian charity which partners with churches in more than 50 of the world's poorest countries. We tackle poverty and injustice through sustainable development, by responding to disasters and challenging injustice. We believe an end to extreme poverty is possible. Thousands of people needlessly suffer and die every day because of poverty. But that's not God's plan for the world. And God is calling you – all of us – to reach out to people in greatest need. We partner with local churches and organisations who have a crucial role to play in the places worst affected by poverty.

Contact with Congo

Parish Nursing Ministries UK

**Parish Nursing
Ministries UK**

Whole Person Healthcare Through The Local Church Parish Nursing Ministries UK helps local churches and Christian organisations appoint and support nurses, who in turn support people and communities towards whole person healthcare. This is care for the person's overall well-being, incorporating body, mind and spirit. Come and chat to me about what parish nurses do in churches around the UK and across the world. Each parish would benefit so much from having a parish nurse. To quote my vicar "every church should have one". This Parish Nurse, me, will be available to check your blood pressure, pulse, oxygen levels and general health advice in a private confidential environment. I will also offer basic first aid. This untapped ministry in the Church of England is amazing for the church, for the hard to reach communities and for the nurse to be able to be able to use their skills in the church setting, fulfilling their nursing vocation. Do you have a nurse in your congregation?
